APPLICATION FOR ENROLMENT

General Information

A parent or legal guardian applying to enrol a child in a government school should complete this form. Only permanent residents of Australia and those children holding an approved visa sub class number are eligible to be enrolled in government schools.

Before you submit this application, please contact the school to find out about the school policies and whether required courses and facilities are available for your child. Please complete one form for each child and attach proof of your usual place of residence to this application form (refer to document checklist).

This is an Application for Enrolment only - submitting this form to the school does not mean that the enrolment has been accepted by the school. The Deputy Principal will firstly need to determine if there is classroom

accommodation and an appropriate educational program can be provided for your child at the school. In determining whether an appropriate educational program can be provided for your child at the school, the principal will need to fully consider the information provided in Section 3 on the application form.

You will be notified by the Deputy Principal if your application has or has not been accepted at the earliest opportunity. For parents applying to enrol their children in Leeming SHS for next year, you will be advised of the outcome of your application by early fourth term.

If your application is accepted, you will be required to complete enrolment procedures at the school. Parents/Guardians should ensure that their child's birth certificate, immunisation records, school reports, records, and any Family Court orders' or parenting plans registered with the Family Court, are made available at the time of enrolment.

NB: It is a requirement of the Education Department that any information on suspensions and exclusions must be provided to the school at the time of applying to enrol a child. This information will help the school to provide your child with the appropriate support, if required. Children currently under suspension from a government school cannot be enrolled at another government school until the suspension period is over. Children who have previously been suspended or excluded from a government school may be required to enter into a behaviour agreement with the school if the enrolment is accepted.

Transport

If you are applying to attend a school other than your local school, transport will be your responsibility. All enquiries regarding school bus services should be directed to [Transperth](#).

Appeals

Should you disagree with the school's decision regarding your *Application for Enrolment* you can appeal to the South Metropolitan Education Regional Office ('SMERO'). SMERO will then seek to verify whether the process for managing the enrolment decision at the school complied with department policies and guidelines. Prior to submitting an appeal, however, it is recommended that you contact the School Principal or the Coordinator of Regional Operations at SMERO to discuss your grievance informally.

Confidentiality

All information provided on this form will be treated confidentially. The Education Department's Information Privacy and Security Policy and Section 242 of the School Education Act 1999 preclude this information from being used for any purpose other than:

- to determine whether your application for enrolment can be accepted;
- to assist the school with addressing any needs for your child if enrolment is accepted; or
- to comply with legal requirements or ministerial directions.

Closing Date for Application - Out of Area

Application for enrolment at a Government School can take place at any time. However as Leeming Senior High School organises a Year 6 orientation day during Week 8 of Term 4. It would be beneficial to students if cross-boundary applications are returned to the school by:

25 JULY 2025

It would also be appreciated if applications to join other year groups are at the school by the same date.
