LEEMING SENIOR HIGH SCHOOL EXCURSION REFUND POLICY

Leeming Senior High School recognises that for unforeseen circumstances may occasionally prevent students from attending planned excursions. While we endeavour to be as flexible as possible, please note that a full refund may not always be available.

Excursion costs are often based on bookings made in advance with external providers (e.g. transport, entry fees, accommodation), many of which require a pre-payment and are non-refundable to the school. In such cases, the school may be unable to recover these costs and therefore cannot guarantee a full refund.

Where possible, the school will work with suppliers to recover any unused portion of payments. Any refundable amount will then be passed onto families.

We appreciate your understanding and support in ensuring our excursions can proceed as planned and remain financially viable.

The following excursion notice will be placed on all our communications to families:

Excursion Refund Notice:

Please note that a full refund may not be possible if your child does not attend. Some costs (e.g. transport, entry fees) are paid in advance and may be non-refundable. The school will pass on any recoverable amount where possible.
