BYOD can be purchased from the preferred supplier or retailer of choice.

JB Education offers bundle packages with educational prices through the Leeming Senior High School portal. These devices have a commercial, 2-year warranty which provides minimal time turnover when damaged. (This does not include screen damage)

There is an extra payment option for the Education warranty which includes accidental damage. (This includes 2 broken screens).

To access the portal please go to:

Website: <https://www.jbeducation.com.au/byod/>

Code: leemingshs2026

Parents select which JB HiFi store they wish their device to be sent for pick up.

Minimum specifications

Parents may choose any device for their child providing it meets the minimum specifications to enable the best connection to our school network as indicated below:

- **Operating System:** Windows 11
- **Software: MS Office:** MS Office 365 supplied free by the Department of Education. Students can do this once they are at school. Year 7's will be shown in Digital Literacy classes.

Preferred if available:

- **Touch screen & Digital Pen preferred** to allow handwriting.

Only computers meeting the minimum specifications provided by the school will be supported for connection to the school's network. Whilst at school, students must connect to the school's network (this allows access to the Internet and other network facilities).
