ORDERING

PLEASE ORDER YOUR LUNCH BEFORE SCHOOL

Late lunch orders may not be able to be filled.
Thank you for your cooperation!

DO NOT LOSE THE TOKEN YOU ARE GIVEN FOR YOUR ORDER!

If you do, you will have to wait until lunches have been collected to see if yours is still there (someone else could have found your token and used it to collect a free lunch).

USE YOUR TOKEN ON THE DAY IT IS ISSUED

Our system relies on orders for a particular day being collected on that day. If you must go home unexpectedly for sickness, a note from the nurse or front office entitles you to a refund when you are back at school and return the token. If you notify the canteen and return the token before going home, you will receive an immediate refund.
